MAYOR
MERLE S.
GORDEN

ECONOMIC DEVELOPMENT VETERAN TO HELP ADVANCE BEACHWOOD'S JOB GROWTH

Jim Douth has a proven record of creating and retaining jobs. And he's bringing his impressive credentials to Beachwood.

Douth started several weeks ago as Beachwood's new Economic Development Director. Douth served for a decade as the executive director of the Medina County Economic Development Corporation. During that time, he helped create 2,500 jobs and retain more than 10,000 other positions. Business investments during that period in Ohio's fastest growing county exceeded \$250 million in the industrial sector alone.

Douth has also held management positions in the private sector and is a former school principal. He has also served, among other roles, on the boards of TeamNEO, the Northeast Ohio Trade and Economic Consortium, and president of the Ohio Economic Development Association.

"What we are doing now – by hiring Jim and reenergizing our overall approach to economic development – is laying the foundation for our continued growth in the years to come," stated Mayor Gorden.

SAVE OUR HOMES

Mayor Merle S. Gorden and City Council issued a "Save Our Homes" proclamation to educate residents about foreclosure mediations, an issue facing every neighborhood and community.

The Cuyahoga County Court of Common Pleas Foreclosure Mediation Program helps residents remain in their homes. This free mediation service stops foreclosure action from going forward and is an opportunity for the homeowner and the lender to sit down face-to-face.

For more information, visit <http://cp.cuyahogacounty.us/internet/ForeClosureMediation.aspx> or call 216.698.7138.
