BEACHWOOD RECREATION

CITY OF
Beachwood
1915-2015

Connecting TO OUR Roots

We started with 151 residents and ten times that many beech trees. Today, we are home to 12,000 residents, 2,500 businesses and less than a handful of beech trees.

Join us as we go back to the future to celebrate The City of Beachwood's Centennial by planting 100 beech trees. We'll continue to make history by honoring our history and remembering our roots – figuratively and literally.

DISABLED POLICY

Over the years, many people with various disabilities have participated in Beachwood Recreation programs. Staff members are sensitive to your needs and will do everything possible to assist you. Most facilities are accessible to the disabled individual. REGISTRATION DEADLINE

Deadlines are used as a tool to determine whether there is enough interest in a class/activity to invest time and money. If a class minimum isn't met by the deadline date, the activity may be cancelled. Does missing the deadline mean I can't get into the class? In some cases, except sports leagues and camps, participants may still be able to register for an activity until the class is filled.
