Connecting TO OUR Roots

We started with 151 residents and ten times that many beech trees. Today, we are home to 12,000 residents, 2,500 businesses and less than a handful of beech trees.

Join us as we go back to the future to celebrate The City of Beachwood's Centennial by planting 100 beech trees. We'll continue to make history by honoring our history and remembering our roots – figuratively and literally.

REGISTRATION DEADLINE

Deadlines are used as a tool to determine whether there is enough interest in a class/activity to invest time and money. If a class minimum isn't met by the deadline date, the activity may be cancelled. Does missing the deadline mean I can't get into the class? In some cases, except sports leagues and camps, participants may still be able to register for an activity until the class is filled.
