RE: Pickleball Courts

Dear Mr. Arrietta:

The design plans for the Pickleball Courts is nearing completion.

This project includes the installation of 6 Pickleball Courts east of the present tennis courts. The courts will be fenced in and the project will also include repairing the existing fence around the tennis courts where necessary.

We hereby request approval for Public Bidding of this project. The estimated construction cost for this work \$425,000 and we anticipate starting construction in the Fall and completion before memorial Day 2023.

Very truly yours,

GPD Group
