WE ARE #1

Cleveland Magazine's "Rating the Suburbs" issue rated the City of Beachwood #2 overall in Northeast Ohio and the #1 place to live in Cuyahoga County. Communities are rated on factors such as neighborhoods, home values, education, safety and tax rates.

"Beachwood has long had a well-earned reputation as one of the best places in Northeast Ohio to live and work. We are very honored to be recognized by Cleveland Magazine as one of the best communities," said Mayor Merle S. Gorden.

"Beachwood's neighborhoods are safe and well-kept, schools are consistently rated excellent and housing values are among the highest in the County with a business base that keeps taxes low," Mayor Gorden said about Beachwood's attributes. "Our residents have superb city services and some of the best shopping and dining in the region. But mostly, I think it's our residents that truly make our City stand out."

Chartered cities are permitted more latitude in governance. The Beachwood Charter can be viewed at www.beachwoodohio.com under the "Government" tab.

The City of Beachwood Charter Review Commission will be tasked with reviewing the City's Charter and making recommended changes to City Council for consideration. Any City Council approved changes will go before voters in 2018.
