COUNCIL ESTABLISHES NEW RESIDENTIAL HOUSING COMMITTEE

Beachwood City Council has formed a Residential Housing Committee. The Committee will be chaired by Councilwoman June Taylor and will also include a resident homeowner in Beachwood.

The Committee will focus on challenges of our aging single-family housing stock and explore opportunities to attract young families while helping the older population age at home. It will research ideas to spur improvements and make our housing stock more attractive; and work with the Beachwood School Board, residents, builders, realtors, lending institutions, etc. to take a comprehensive look at our residential housing component.

For more information, please contact Whitney Cook, Clerk of Council, at 216.595.5462.

DON'T CROWD THE PLOW

Give snow plow operators space to work. A fully loaded snow plow vehicle can weigh between 20–40 tons and cannot easily stop. In a contest between a snow plow and other vehicle, the snow plow will be the clear winner. When driving behind a snow plow stay behind at least 100 ft.

NEW RECYCLING GUIDELINES

We provide weekly curbside recycling for the majority of our residents. For recycling efforts to be effective, the following guidelines need to be followed. Please include these items only. Trash contaminates recyclable materials.

All items should be placed loose (unbagged) in the provided wheeled cart. When done correctly, it will cut your trash in half and help the environment.

WHEN RECYCLING PLASTICS

Any plastic bottle, jar, jug or tub can be placed in your curbside recycling. Recycle plastic food and beverage bottles, shampoo, conditioner and personal products and laundry detergent and bleach bottles. Bottles should be emptied and rinsed. Replace the cap and put in your curbside recycling.

If it's shaped like a bottle and it has a neck, cap or lid, it belongs in your curbside recycling.

WHY DO PLASTICS HAVE NUMBERS INSIDE RECYCLING SYMBOLS IF THEY'RE NOT RECYCLABLE?

The numbers on plastic containers are resin codes used by the plastics industry to identify the type of chemicals used to make the container. The codes do not always mean that the item is recyclable, so we no longer look at the numbers on plastics to determine if it goes in curbside recycling.

Not all plastics with the 1-7 symbols are recyclable. The shape of the container determines if it belongs in curbside recycling.

These plastics **SHOULD** be included:

- Water and Beverage Bottles with Caps On
- Beverage Jugs (milk, juice, etc.) with Caps On
- Food Jars (mayonnaise, peanut butter, etc.) with Caps On
- Plastic Tubs and Lids (yogurt, cottage cheese, etc.)
- Laundry, Shampoo and Soap Bottles with Caps On

PREVENT IDENTITY THEFT

Identity theft is a crime where a thief steals your personal information, such as your full name or social security number, to commit fraud.

Take steps to protect yourself from identity theft:

- Secure your social security number. Don't carry your social security card in your wallet or write number on checks. Only give out your SSN when absolutely necessary.
- Don't respond to unsolicited requests for personal information (your name, birthdate, social security number, or bank account number) by phone, mail, or online.
- Collect mail promptly. Place a hold on your mail when you are away from home for several days.
- Update sharing and firewall settings when you're on a public wi-fi network. Consider using a virtual private network, which can give you the privacy of secured private network.
- Review your credit card and bank account statements. Promptly compare receipts with account statements.
- Shred receipts, credit offers, account statements, and expired credit cards, to prevent "dumpster divers" from finding.
- Install firewalls and virus-detection software on your home computer.
- Create complex passwords. Change passwords if a company that you do business with has a breach of data.
- Review your credit report once a year to be certain that it doesn't include accounts that you have not opened. You can order it for free from Annualcreditreport.com.

If you fall victim, report it to the Federal Trade Commission at IdentityTheft.gov or 1.877.438.4338.

KEEPING WALKWAYS CLEAR

Part of home and commercial building ownership is the responsibility to maintain outside surfaces when it snows or temperatures cause water to freeze and form ice on driveways and walkways. Keep walkways clear so they are safe for everyone and are easily accessible for emergency services if needed.
