## MASKS REQUIRED INDOORS & OUTDOORS

The Ohio Department of Health and the City of Beachwood both mandate the wearing of facial coverings (masks) in public indoor and outdoor gathering areas.

"This is a public health requirement in the midst of the largest public health crisis of our lifetime," said Council President James Pasch. "Science shows that a simple face mask helps blunt the spread of the virus. If we all wear masks, we will all be safer."

Please be sure to wear your mask at Barkwood Dog Park and the City Playground. This also applies to Beachwood City Park when you are in a group or unable to maintain at least six feet of social distance: for example, while passing others on the path. By wearing a mask, we not only protect ourselves, we protect those around us: family, friends, co-workers, and customers.

## WANTED: ORIGINAL RECIPES FROM GARDEN

If you have created an original recipe around one of your Beachwood veggie harvests, send it to the City. We will assemble all the submissions in a booklet to be shared on our website. Please send your recipes to [lynn.johnson@beachwoodohio.com](mailto:lynn.johnson@beachwoodohio.com).

**Deadline: September 15**

## SPECIAL NOTICE

Due to the Labor Day holiday on Monday, September 7, rubbish pick-ups will be delayed one day throughout the week.

# HOUSEHOLD HAZARDOUS WASTE DISPOSAL PROGRAM

To help residents dispose of oil-based paint, pesticides, automotive fluids and other hazardous products found in the home, the Solid Waste District offers a countywide Household Hazardous Waste Disposal Program. Beachwood residents may deliver their Household Hazardous Waste year-round to:

**Public Works Department**  
23355 Mercantile Road  
Monday - Friday, 7:30 AM - 3:30 PM

The City of Beachwood can only accept hazardous materials that originate from a household. Examples of household hazardous waste include oil-based paint, solvents, used motor oil, automotive fluids, aerosols, lawn and garden products, pesticides, pool chemicals and household cleaners. Latex paint is not accepted.

Dried-out paint cans, empty aerosol cans and other empty containers can be placed in the regular trash for disposal. Empty motor oil and antifreeze jugs may have residue of the hazardous materials they held and should be placed in the trash, not recycling, for proper disposal.

Before disposing of products, consider donating usable materials to a friend, neighbor or organization.

## FALL LEAF PICK-UP

Loose-leaf pick-up begins this month and (weather permitting) runs through mid-December.

- Leaves need to be raked into piles on the tree-lawn
- Keep piles free from other debris such as grass, trees or branches
- Vehicles parked on the street may impede the City's ability to collect leaves
