BEACHWOOD REMOVES CITY MASK MANDATE

Last month, Beachwood City Council voted to amend its Ordinance No. 2020-95, which required face coverings to be worn in the city's indoor and outdoor areas. The amended ordinance reflects Governor DeWine's orders, as of June 2, to rescind the state-wide mask mandate. As such, City Council has voted to no longer require face coverings in indoor areas accessible to the public and outdoor areas of public gathering. We do recommend that all unvaccinated residents and visitors continue wearing masks and practicing social distancing, according to CDC guidelines.

Since June 2, the retired mask requirements have been in effect at all outdoor city properties. City Hall and the Beachwood Community Center will reopen to the public on Tuesday, July 6. Regardless of state and city law changes, Beachwood's apartments, office buildings, stores, restaurants and other businesses have the right to set their own mask and social-distancing requirements.

IT'S BLOCK PARTY SEASON!

Block parties are a great way to get to know your neighbors and help improve the safety of your neighborhood. A completed application and \$150 deposit allow you to reserve our block-party trailer, full of supplies including tables, chairs, cornhole, street-closure supplies and more. The Mayor's Office then coordinates your trailer drop-off/pick-up, your street-closure consultation, and schedules an appearance by Beachwood Fire Department. We have added a second trailer this year for more block-party availability.

NATIONAL GUN VIOLENCE AWARENESS DAY PROCLAMATION

June 4 was National Gun Violence Awareness Day. In recognition of this day, Mayor Horwitz and City Council presented a proclamation to members of Moms Demand Action reiterating that support of Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people with dangerous histories, and protecting public safety is a mayor's most important responsibility. By wearing orange, Americans raised awareness about gun violence and honored the lives of victims and the survivors. For more information, visit www.wearorange.com.

Through this proclamation, Mayor Horwitz and City Council renewed our city's commitment to help keep residents safe and reduce gun violence, while pledging to do all they can to keep firearms out of the wrong hands and encourage responsible gun ownership.

Need a gun lock? Stop by the Beachwood Police Department weekdays between 8:00 AM and 4:00 PM, or call the Mayor's Office at 216.292.1901.

WELCOME!

Erik Marti, new BPD officer, was sworn-in by Mayor Horwitz on Monday, June 7.

STORYWALK IN THE PARK

The July book featured on the StoryWalk® in Beachwood City Park East is *Strictly No Elephants*, written by Lisa Mantchev, illustrated by Taeun Yoo.

In this bestselling and internationally beloved picture book, the local Pet Club won't admit a boy's tiny pet elephant, so he finds a solution—one that involves all kinds of unusual animals. The Pet Club doesn't understand that pets come in all shapes and sizes, just like friends. Now it is time for a boy and his tiny pet elephant to show them what it means to be a true friend.

The StoryWalk® Project was originally created by Anne Ferguson of Montpelier, VT, and developed in collaboration with the Kellogg-Hubbard Library to help build children's interest in reading, while encouraging healthy activity for children and adults. StoryWalk® is a registered service mark owned by Ms. Ferguson.
