## **BEACHWOOD DELIVERS: Fee-Free Beachwood Restaurant Delivery to Beachwood Addresses EXTENDED through February**

**BEACHWOOD, Ohio –January 20, 2021–** The City of Beachwood’s \$10,000 investment in BEACHWOOD DELIVERS —a fee-free service where City-contracted drivers deliver Beachwood-restaurant orders to Beachwood addresses— created more than \$15,000 of value within its first 18 days of service.

“As of January 10, our restaurants saved \$5,879 with our fee-free service, compared against the 30-percent charged by third-party delivery apps,” said Beachwood Mayor Martin Horwitz, “and our customers saved an estimated \$9,000 in menu upcharges, increased taxes, and service and delivery fees. With numbers like that, extending Beachwood Delivers through February was an easy decision.”

The program serves 10 of the City’s 16 locally owned restaurants, none of whom will pay service or delivery fees. Instead, Beachwood Delivers is fully funded by the City of Beachwood and its Economic Development sector. It is the first such municipal/restaurant delivery partnership in the United States.

“The Ohio Restaurant Association is thrilled with the success of the Beachwood Delivers program, as well as its extension. This is wonderful way for a community to gather around and support its local restaurant, foodservice, hospitality businesses and their customers, saving them time and money to invest back into the economy,” said Tod Bowen, Managing Director of External Affairs & Government Relations for the Ohio Restaurant Association.

### **How it Works**

Beachwood residents, employees, and hotel guests may call a participating restaurant, place and pay for a minimum \$25 order, and the restaurant calls the City drivers to arrange for delivery. Customers receive text-message updates. The program is available daily from 4:00 – 8:00 PM.

Participating Beachwood restaurants, including three from Beachwood Place, are:

- Blu, the Restaurant - (216) 831-5599
- BOMBA Taco + Bar - (216) 755-5907
- Cedar Creek Grille - (216) 342-5177
- Giovanni's Ristorante - (216) 831-8625
- Hyde Park Prime Steakhouse - (216) 464-0688
- Lindey's Lake House - (216) 342-5030
- MarMar's Pizza – (216) 316-3355
- Tres Potrillos - (216) 591-1202
- Winking Lizard - (216) 454-0380
- Yours Truly - (216) 464-4848

### **The Reviews are In: Beachwood Delivers is a Smash Hit**

Residents are enjoying the service and many have left positive voicemail messages and Facebook comments about their experience; Lynne Madden wrote that they “even got our anniversary dinner from Hyde Park delivered.”

“In all honesty, Beachwood Delivers has been absolutely fabulous. So many people have found out about our pop-up ghost kitchen through this program,” said Angela Santo Domingo, who co-owns MarMar's Pizza with her husband, Mario. “It's a great service that Beachwood has implemented and I hope other cities will follow suit.”

“We applaud Mayor Martin Horwitz and encourage other Ohio communities to see Beachwood as an example of partnering to creatively support local restaurants that bring such vibrancy to their community,” Bowen said.
