### 314.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent Department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Criminal Profiling, in itself, can be a useful tool to assist law enforcement officers in carrying out their duties. Officers shall not consider race / ethnicity to establish reasonable suspicion or probable cause, except that officers may take into account the reported race / ethnicity of a potential suspect(s) based on trustworthy, locally relevant information that links a person or persons of a specific race / ethnicity to a particular unlawful incident(s).

Law enforcement agencies should prohibit the use of any bias based profiling in its enforcement programs, as it may lead to violations of the constitutional rights of the citizens served, undermine legitimate law enforcement efforts and may lead to claims of civil rights violations. Additionally, bias based profiling alienates citizens, fosters distrust of law enforcement by the community and may result in media scrutiny, legislative action and judicial intervention.

Law enforcement personnel should focus on a person's conduct or other specific suspect information. Annually, the agency should include profiling related training that should include field contacts, traffic stops, search issues, asset seizure and forfeiture, interview techniques, cultural diversity, discrimination and community support.

- f. ensure the public has access to complaints and / or commendations through social media or the agency's community relations programs.

**GUIDING PRINCIPLES**

A well-constructed complaint process is an integral tool in community-police relations. There is a significant impact when a community knows and understands its concerns can be legitimately addressed in a proper setting. Further, officers can be better served when they can refer aggrieved individuals to a trusted process. Neither officers nor community members benefit from attempts to have concerns addressed and redressed during a traffic stop or in the midst of an incident. It may prove beneficial for law enforcement agencies to reach out to community members in an effort to publicize, promote and develop processes that are mutually beneficial to all.
